Prayer items: For the R.C.M.P. to have supernatural wisdom and vision to find the drugs and dealers and get them off of our streets.

For the health and safety of our staff; and for the health and safety of the staff at Cornerstone as they are dealing with many overdoses as compared to the Mission.

We have three or four job posting open right now, ask that the Lord would bring the right people to fill the job description with ministry minded individuals.

It is nearing our year end so all of the communication and hard work concerning our budget for next year is happening within the different departments.

Praise Items: We have solar panels that are now providing all the necessary power to our admin offices which lowers our electricity bills. Several former guest have come back and told us Thank You, for our participation in their life over the past few years...and they are doing well.

We have a staff appreciation happening at our professional day in June.

getting involved . . .

As a church congregation at our Annual General Meeting in February 2018, we committed to take steps toward hiring a second pastor. Part of the commitment by the congregation was to continue giving in such a way that we can support that new person. From January 1 - April 30, we have fallen short approximately \$1,000 a month. We believe, as a board, that this is a very achievable goal, especially if we follow biblical guidelines of tithing 10%. We are excited to pursue a new pastor when we know that we can support this person well.
