For the health and safety of our staff; and for the health and safety of the staff at Cornerstone as they are dealing with many overdoses as compared to the Mission.

**Praise Items:** We have solar panels that are now providing all the necessary power to our admin offices which lowers our electricity bills. Several former guest have come back and told us Thank You, for our participation in their life over the past few years...and they are doing well.

### From the Board

The board has reviewed our church finances up to July 31st, and we are now only \$200 short each month (January-July 2018) in our projected goal to support a second pastor! Thank you for your continued and increased giving as we seek this goal together. We are confident that we will see the final increase needed this fall and look forward to our November congregational meeting, when we can recommend the search commence for a second pastor.
